And Four Concerts Around NYC

Join us for our 36th Season

During the early autumn days of 1980, a group of astonishing musicians came together to perform the first North/South Chamber Orchestra concert.

While much has changed over 35 years, the values held in those early days – flexibility, intimacy, commitment to the community, and consummate artistry – continue to propel this amazing ensemble.

Our free-admission concerts, performed by first-rate musicians, feature music by composers representing three generations. Often new to New York, the works always stimulate, challenge, and excite.

Join our community of friends and patrons as we continue to bring contemporary music from throughout the Americas and the world to the attention of New York City audiences. Your tax-deductible gift will empower us to proceed vigorously into the next 36 years of musical invention.

Take note, attend our concerts, and discover the dynamism, charisma, and brilliance of our outstanding composers and musicians.
