Welcome to North/South Consonance's 46th consecutive Season!

In the vibrant autumn of 1980, an extraordinary group of musicians came together for the inaugural concert of the North/South Chamber Orchestra. The treasured values from those early days—flexibility, intimacy, community dedication, and exceptional artistry—continue to inspire and uplift this remarkable ensemble today. It is truly exciting to see how their passion for music unites us all.

In a culture filled with synthetic sounds and playlists generated by algorithms, North/South live events celebrate the impressive diversity of creative voices while upholding a strong commitment to artistic innovation.

Join us for our free admission concerts, where lively commentary enhances your listening experience. You'll be captivated by our outstanding vocalists and instrumentalists performing innovative programs that celebrate music from three generations of incredible composers across the Americas and beyond. Discover fresh, accessible sounds that promise to thrill and inspire—this is an experience you won't want to miss.

The North/South Recordings Catalogue represents a rich musical legacy that continues to grow. Featuring skilled performances of contemporary repertoire, these compact discs provide scholars with a valuable insight into the music of the 20th and 21st centuries. Available for streaming and purchase through your favorite retail outlet, these albums deliver the works of the composers we support to an international audience, all from the comfort of your home.

Thanks to the incredible support of our friends and patrons, we are excited to bring the best contemporary music to New York City. Your generous, tax-deductible contribution fuels our mission to celebrate creativity and innovation. Join us as we confidently embark on the next 46 years of inspiring musical adventures together.

Join us for performances of the amazing North/South Chamber Orchestra. Dive into the enchanting world of today's music at their events. It promises to be an unforgettable experience that you won't want to miss.
